**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Currently Amended) A method that enables a recipient to inform a carrier of the manner in which the recipient wants some or all of their mail delivered, said method comprises the steps of:

depositing by [the]a sender with the carrier mail containing the recipient's name and physical address and a sender's name and address;

capturing by the carrier the name and physical address of the recipient and the sender in the form of an image;

transmitting the image to a data center where the image is processed by translating the image consisting of text and graphics to selected alphanumerics;

translating by a data center the name and physical address of the recipient into an e-mail address;

notifying by the data center to the recipient of the [availability]expected delivery of the deposited mail and indicating the selected alphanumerics of the translated image;

notifying by the recipient to the data center of the manner in which the recipient wants some or all of their mail delivered;

notifying by the data center to the carrier of the manner in which the recipient wants the mail delivered; and

7. (Original)           The method claimed in claim 4, further including the steps of:  
                          informing the carrier to extract the contents of the mailpiece to the recipient; and  
                          sending the information contents of the mailpiece to the recipient's personal data  
                          assistant.
8. (Original)           The method claimed in claim 4, further including the steps of:  
                          informing the carrier to extract the contents of the mailpiece to the recipient; and  
                          reading the information contents of the mailpiece to the recipient via telephone.
9. (Original)           The method claimed in claim 4, further including the steps of:  
                          informing the carrier to send by facsimile the contents of the mailpiece to the  
                          recipient; and  
                          mailing by facsimile the contents of the mailpiece to the recipient.
10. (Original)          The method claimed in claim 4, further including the steps of:  
                          informing the carrier to facsimile the contents of the mailpiece to one or more  
                          specified facsimile numbers; and  
                          sending by facsimile the contents of the mailpiece to the specified facsimile  
                          numbers.
11. (Original)          The method claimed in claim 1, wherein the recipient notifies the  
                          carrier to deliver the mail to the recipient at a different address.
